HD18CS-0 BARE TOOL ONLY

Milwaukee Electric Tool Corporation introduces the new M18 6½" (165mm) Circular Saw that is designed to provide powerful lightweight cutting for a variety of applications including plumbing, electrical, framing, finishing and carpentry.

This Circular Saw is a high performance circular saw that delivers the most durability in a cordless saw. Its powerful 3,500 RPM motor easily and quickly cuts tough material such as LVL headers. Magnesium upper and lower guards provide best-in-class durability to protect the blade from drops. The soft-grip handle is ergonomically designed to provide superior comfort and balance for easily controlled cuts.

An easy-to-read aircraft aluminum shoe provides a light weight durable shoe and greater accuracy in rip cuts. This saw features an 18V XC High Capacity LITHIUM-ION battery which provides longer run-time and up to 20% more torque for powerful cuts. The battery fuel gauge displays remaining run-time.

Features:

- Electronic brake stops blade quickly
- Aircraft aluminum shoe provides greater accuracy
- Speed 3,500 RPM
- Cutting Capacity 54mm @ 90°, 41mm @ 45°
- Arbor 5/8"
- Blade 6 ½" (165mm) 24T Carbide Tipped
- Trigger Lock Off
- Blade Guard Magnesium

Exclusive 6 Year Warranty on the Tool
