**Milwaukee Right Angle Attachment 49228510**

The Right Angle Attachment Heavy-Duty ...Simply a beautifully designed ,well engineered Milwaukee Product,

Durable, compact design measures only 50mm wide, allowing it to fit in tight, difficult to reach places.  
Durable all metal housing and steel gears with ball bearing construction allows the adapter to handle up to 235 in-lbs of torque.

Designed to allow you to drive screws and drill bits in tight, difficult work areas.

For use with cordless drills and the convenient quick change chuck accepts standard 1/4" hex drive accessories.  
48-position handle.
